

# 17th International Symposium on Robotics Research (ISRR)

## *Sestri Levante (Genova), Italy*

### 12-15 September 2015

**ISRR 2015** is structured in mini-symposia, interactive sessions and “Best Of 2014” sessions. Each **Symposium** includes two invited talks and presentations of reviewed papers submitted to the Conference.

**Interactive Sessions** will be introduced orally and followed by one-to-one discussion at screens. The “**Greatest Hits**” sessions include invited presentations of top-quality work who has recently received recognition with awards or other distinctions

#### Programme at a Glance

Date	9.00-10.15	10.15-10.40	11.10-12.25	12.25 - 12.50	12.50-13.50	13.50-15.30	16.00-17.40	18.00-19.30
<b>Sat. 12</b>	Flying Robots_		Soft Robotics and Natural Machine Motion _		Lunch Break	Free	Hands and Haptics	Blue-Sky Robotics: the IFRR vision
<b>Sun. 13</b>	Great est Hits Part I	Multi-Robot Systems	Interactive Session		Lunch Break	Cruise & Dinner		
<b>Mon. 14</b>	Cognitive Robotics and Learning		Humanoids and Legged Locomotion_		Lunch Break	IIT Visit & Banquet		
<b>Tue. 15</b>	Robot Planning and Navigation		Greatest Hits Part II	Robot Planning	Lunch Break	Knowledg e-Based Robotics	Interactive Session
